

HERALD SUN Fri 09/08/13

A natural disaster

VICTORIA has a real future in nature and wildlife tourism. We have all the assets to draw more and more tourists to our state. But to do this we must retain and improve our wild habitats.

Down at Mallacoota, in one of our most pristine, wildlife-rich regions, plans are afoot to rip up a magnificent stretch of rocky beach for a big, intrusive boat ramp. Don't let it happen, Victorians.

Janine Duffy, Port Melbourne
