

R.I.P.
BASTION POINT
65,000,000 BC
- 2013 AD

Brutally murdered
by East Gippsland
Shire, MADBATA,
MOAC and the State
Government.

WHY ... If we destroy
something made by
mankind, it is called
vandalism; but if
we destroy something
made by nature, it is
called progress?

Our community is full
of broken hearts ...
