

Come to Mallacoota this Easter, to show your support for Bastion Point!

This may be your last chance to enjoy and celebrate Bastion Point **as it is**, without a huge break wall, unless we can convince the East Gippsland Shire Council (EGSC) to reconsider its proposal and upgrade the existing ramp. **We need YOU in Mallacoota at Easter:** one thing that may change their minds is a show of support too big to ignore.

Bring your beach gear, buckets and spades, surf boards, snorkels, beach volley ball, musical instruments, voices etc to celebrate Bastion Point for all the reasons we value it so much.

On **Saturday 30th of March** there will be a Market with Open Mike, loads of stalls and arts activities for kids.

Sunday 31st after spending the afternoon enjoying Bastion Point come and be entertained by **Justin Brady and Friends**

“Standing together for the last Bastion”

7.30pm at the Mudbrick Pavilion.

More information will be available at the Save Bastion Point Campaign information stall at the Market. Please let your friends and family know they are needed. Come along and enjoy our beautiful surroundings and help Save the Last Bastion.
